The Society

The Lowdham Horticultural Society was founded in 1893 with the first show taking place in August that year.

If you have an interest in flowers, fruit and vegetables and enjoy social gatherings why not join the society? We have two shows each year, The Spring Show in April and the Summer Show in August, plus the Apple Day in October. Visits are arranged to interesting places in the summer months and during the winter we have a series of monthly talks in Lowdham village WI hall at 7.30 on Thursday evenings.

The Annual Subscription is £10.00. A small charge is made for non members attending the winter talks and everyone is welcome.

For the benefit of members the Society operates a subsidised seed scheme and subsidised coach trips to places of gardening interest.

The Society Secretary is Christine Baggaley, telephone 0115 966 3734.

Why not have a look at our website for details of the Society and any forthcoming events.

Lowdham Horticultural Society through the years

Extracts from our archives

- 1893** Opening year - The large marquee presented a beautiful appearance due to the exceedingly pretty show of flowers and plants but the pansies, zinnias and stocks ought to be singled out for special mention'. Newark Advertiser August 26th 1893
- 1912** The Committee and Judges include Mr Williamson of Gunthorpe Lodge, Mr Alf Jackson, Dr Brooks, Mr Edward Franklin, Mr Stacey Blake and eleven others.
- 1934** The Show was held on August 18th and was sited in a field behind the Magna Carta Inn by kind permission of Mr H J Pratt. It was opened by Mrs J D Player and the net result was £210.
- 1939 - 45** During the war years the Lowdham Flower Show was discontinued and the villagers started alternative projects.
- 1940** The Womens Institute opened a Fruit Preservation Centre and in August and September of that year alone 955 tins of fruit and tomatoes were canned and 1009 lbs of jam and pickles were made.
- 1950** The Show was disappointing in that it only made £116.5s.0d net profit. It was suggested that future shows should be held on the cricket ground where they would be visible from the by- pass and from Southwell Road.
- 1952** For the second year in succession Mr G W Haggis won the Evening News Cup for the highest number of points in the Horticultural Classes. His wife gained the highest number of awards in the Produce Section and his father,

Mr W H Haggis of Stafford, won awards for cacti, succulent plants and honey.

NOTES FOR EXHIBITORS AND JUDGES

- Flowering stems can be taken from ANY flowering plant.
- The different kinds of plants need to be taken from different genera. For instance, pinks, carnations and sweet william - which are all dianthus - would not be classed as different kinds.
- Only fresh, home-grown flowers can be used in the vase. No dried or silk flowers are allowed.
- A vase, by definition, is any vessel that can be used to hold cut flowers and which is taller than it is wide at its widest point.
- This class is open for anyone to enter and is not intended purely for growers who regularly display single species classes at shows.
- Judges should use their discretion when judging the Top Vase class, bearing in mind that the entries may come from inexperienced exhibitors. Judges and exhibitors should note that the display has to be viewed all round.
- The points awarded should be clearly marked by the judges on the exhibitors' cards.
- Any queries that may arise, regarding anything other than the above rules, should be referred to, and decided by, the show officials.

Failure to abide by any of these rules will lead to disqualification.
